## Mission: It's Our Turn To Serve

The creation of the Xtreme Couture GI Foundation aimed to generate funds and awareness in support of our nation's combat and wounded veterans, as well as their families facing financial challenges upon transitioning to civilian life.

The ride started back in 2008 with just a couple dozen riders, now in it's 16th year we have grown to over 400 riders and raised a grand total of \$278,899.00! Your involvement as a sponsor for this years ride not only honors our veterans but also contributes to raising essential funds helping those in need.

The XCGIF operates with a dedicated volunteer team, ensuring that every dollar of your donation makes a meaningful impact on the lives of these men and women who have served our country.
